

Graduate Certificate in Business Analytics

2021 Program Structure

It is important that you read and understand the following information.

To be eligible to enrol in the Graduate Certificate in Business Analytics you must satisfy the entry requirements as outlined in the program rules. It is your responsibility to ensure that you complete all the requirements of this program in order to graduate. The following information is designed to help you plan your enrolment to meet this goal.

Further information can be found in the official program rules and course lists on the Courses and Programs website:

<https://my.uq.edu.au/programs-courses/requirements/program/5726/2021>

You are not required to submit this program plan for approval. However, if you have any questions or concerns about meeting degree requirements, especially when you are nearing the end of your program, please contact info@business.uq.edu.au for advice.

Program Guidelines:

You must complete 8 units comprising:

- 2 to 4 units from **GCBusAn Flexible Core Courses**; and
- 4 to 6 units from **GCBusAn Advanced Courses**

Not all courses are offered every semester and/or every year and are subject to change. Check course offerings prior to enrolling.
