

Master of Business (1.5-year duration)

2025 Program Structure

It is important that you read and understand the following information.

To be eligible to enrol in the Master of Business (1.5 year) you must satisfy the entry requirements as outlined in the program rules. It is your responsibility to ensure that you complete all the requirements of this program in order to graduate. The following information is designed to help you plan your enrolment to meet this goal.

Further information can be found in the official program rules and course lists on the Courses and Programs website:

<https://programs-courses.uq.edu.au/requirements/program/5583/2025>

You are not required to submit this program plan for approval. However, if you have any questions or concerns about meeting degree requirements, especially when you are nearing the end of your program, please contact info@business.uq.edu.au for advice.

Program Guidelines:

You must complete 24 units comprising:

- 2 units from MBus Core Course, and
- 10 units for one Field of Study from MBus Fields of Study, and
- 2 units from MBus Capstone Course, and
- 10 units from MBus Fields of Study (Second Field of Study) OR MBus Elective Options, and
- 8 units as Recognised Prior Learning (RPL)

Students can request to complete a second field of study. Students electing not to complete a second field of study will complete electives for the remainder of their program. Students can complete a maximum of 4 units (2 courses) of electives outside this list, subject to prior approval by Business School. These courses must be relevant to your degree and career pathway. To declare a second field of study or elective outside the course list, please contact info@business.uq.edu.au for advice.

Credit for recognised prior learning will be towards MBus Foundational courses FINM7409, MGTS7301 and MGTS7608, **plus** two units of general electives.

NOTE: Students completing the 1.5-year duration are **not** permitted to complete FINM7409, MGTS7301 and MGTS7608 towards the MBus program.

Not all courses are offered every semester and/or every year. Check course offerings prior to enrolling.

Work integrated learning opportunities in your Master's program

Gain consultancy project or work experience with an industry partner for academic credit

RBUS7888 Business Industry Consultancy Project

This course offers final year students a unique opportunity to apply and expand their knowledge in Business, Commerce, and Tourism. Collaborating with peers, students will tackle complex challenges from industry partners, gaining project management skills and practical experience in a multidisciplinary team. This prepares them with a comprehensive, workplace-ready skill set for a smooth transition into the professional world.

RBUS7999 Business Industry Placement

This course offers final year students the chance to apply their conceptual knowledge in a real-world professional placement. It connects academic learnings and personal employability skills with industry challenges, providing valuable work experience and helping students develop a workplace-ready skill set.

To be considered for enrolment, students must have a grade point average (GPA) of at least 4.0 on UQ's 7-point scale and be in their final year. RBUS7999 may be counted towards their chosen field of study, while RBUS7888 can only be counted as an elective.
