

# Master of Global Management – Incoming Students

## 2025 Double Degree Program Structure

It is important that you read and understand the following information.

This program is restricted to **incoming students from partner institutions (Aalto University, Bocconi University, ESSEC Business School, and NHH Norwegian School of Economics or Queen's University)**. You must satisfy the entry requirements as outlined in the program rules. It is your responsibility to ensure that you complete all the requirements of this program to graduate. The following information is designed to help you plan your enrolment to meet this goal. Further information can be found in the official program rules and course lists on the Courses and Programs website:

<https://programs-courses.uq.edu.au/requirements/program/5535/2025>

Please ensure you check your enrolments are correct for your double degree program at [info@business.uq.edu.au](mailto:info@business.uq.edu.au). Failure to follow the prescribed study plan may delay your graduation

### Program Guidelines:

You must complete 32 units comprising:

- 6 units for all MGMan Core Courses; and
- 8 units from MGMan Fields of Study; and
- 18 units from MGMan Elective Options

Your study plan may differ depending on your home institution.

### Partner Institutions

Of the 32 units required for the program, a student must obtain 16 units from completed study at a partner institution. Students will be awarded two master's degree upon completion, one from UQ and one from partner institution.

For additional support, please contact your dedicated Postgraduate Student Liaison Officer at [info@business.uq.edu.au](mailto:info@business.uq.edu.au).

# Work integrated learning opportunities in your Master's program

Gain consultancy project or work experience with an industry partner for academic credit

## **RBUS7888 Business Industry Consultancy Project**

This course offers final year students a unique opportunity to apply and expand their knowledge in Business, Commerce, and Tourism. Collaborating with peers, students will tackle complex challenges from industry partners, gaining project management skills and practical experience in a multidisciplinary team. This prepares them with a comprehensive, workplace-ready skill set for a smooth transition into the professional world.

## **RBUS7999 Business Industry Placement**

This course offers final year students the chance to apply their conceptual knowledge in a real-world professional placement. It connects academic learnings and personal employability skills with industry challenges, providing valuable work experience and helping students develop a workplace-ready skill set.

To be considered for enrolment, students must have a grade point average (GPA) of at least 4.0 on UQ's 7-point scale and be in their final year. RBUS7999 may be counted towards their chosen field of study, while RBUS7888 can only be counted as an elective.

### Research Thesis Application Process

Students wishing to complete a research thesis in their program be required to submit a research application with the support of their proposed Business School academic supervisor and complete a 1000-word research proposal. You will not be able to enrol in the thesis course until Director of Education (or delegate) has approved your application. Please contact your Postgraduate Student Liaison Officer at [info@business.uq.edu.au](mailto:info@business.uq.edu.au) for further advice and for an application form.

The first steps are to choose a topic and a supervisor. Here are some guidelines:

- If you are looking for ideas for a topic, try reviewing reports and theses of previous students (honours, MPhil, & PhD), examine the research profiles of the school's academic staff, talk with other research students and review the work from your undergraduate studies. Make a tentative selection of one or more topics.
- Examine the [academic profiles](#) on the school website to help you select a supervisor with appropriate research interests. If you cannot find a suitable supervisor, you may also wish to contact the Discipline leaders, head of each discipline in the school, who can direct you to academic staff relevant to your research interests.
