

# Master of Business (2-year duration)

## 2025 Program Structure

It is important that you read and understand the following information.

To be eligible to enrol in the Master of Business you must satisfy the entry requirements as outlined in the program rules. It is your responsibility to ensure that you complete all the requirements of this program to graduate. The following information is designed to help you plan your enrolment to meet this goal.

Further information can be found in the official program rules and course lists on the Courses and Programs website:

<https://programs-courses.uq.edu.au/requirements/program/5583/2025>

You are not required to submit this program plan for approval. However, if you have any questions or concerns about meeting degree requirements at any time during your program, please contact [info@business.uq.edu.au](mailto:info@business.uq.edu.au) for advice.

### Program Guidelines:

You must complete 32 units comprising:

- 6 units from MBus Foundational Courses, and
- 2 units from MBus Core Course, and
- 10 units for one Field of Study from MBus Fields of Study, and
- 2 units from MBus Capstone Course, and
- Either:
  - 10 units from MBus Fields of Study (Second Field of Study) AND 2 units as General Elective, or
  - 12 units from MBus Elective Options

Students can request to complete a second field of study. Students electing not to complete a second field of study will complete electives for the remainder of their program. Students can complete a maximum of 4 units (2 courses) of electives outside this list, subject to prior approval by Business School. To declare a second field of study or elective outside the course list, please contact [info@business.uq.edu.au](mailto:info@business.uq.edu.au) for advice.

MGTS7621 Career Transition is the capstone course for the Master of Business program. You will not be able to enrol in this course via mySI-net until your final results for your penultimate semester are available.

Not all courses are offered every semester and/or every year. Check course offerings prior to enrolling.

# Work integrated learning opportunities in your Master's program

Gain consultancy project or work experience with an industry partner for academic credit

## **RBUS7888 Business Industry Consultancy Project**

This course offers final year students a unique opportunity to apply and expand their knowledge in Business, Commerce, and Tourism. Collaborating with peers, students will tackle complex challenges from industry partners, gaining project management skills and practical experience in a multidisciplinary team. This prepares them with a comprehensive, workplace-ready skill set for a smooth transition into the professional world.

## **RBUS7999 Business Industry Placement**

This course offers final year students the chance to apply their conceptual knowledge in a real-world professional placement. It connects academic learnings and personal employability skills with industry challenges, providing valuable work experience and helping students develop a workplace-ready skill set.

To be considered for enrolment, students must have a grade point average (GPA) of at least 4.0 on UQ's 7-point scale and be in their final year. RBUS7999 may be counted towards their chosen field of study, while RBUS7888 can only be counted as an elective.
