2027 Program Structure

It is important that you read and understand the following information.

To be eligible to enrol in the Graduate Certificate in Finance and Investment Management program, you must satisfy the entry requirements as outlined in the program rules. It is your responsibility to ensure that you complete all the requirements of this program in order to graduate. The following information is designed to help you plan your enrolment to meet this goal.

Further information can be found in the official program rules and course lists on the Courses and Programs website:

https://programs-courses.uq.edu.au/requirements/program/5764/2027

You are not required to submit this program plan for approval. However, if you have any questions or concerns about meeting degree requirements, especially when you are nearing the end of your program, please contact info@business.uq.edu.au for advice.

Program Guidelines:

You must complete 8 units comprising:

- 2 units for all **GCFinInvMgt Core Courses**; and
- 2-4 units from **GCFinInvMgt Flexible Core Courses**; and
- 2-4 units from **GCFinInvMgt Program Elective Courses**

Not all courses are offered every semester and/or every year and are subject to change. Check course offerings prior to enrolling.

Understanding your academic calendar

Your specific program academic calendar differs from our standard academic calendar and teaching period calendar. This program's approved course date variations are available for your reference.

Please note that the approved course variation dates may not be accurately reflected in UQ's student administration systems. To ensure you stay on track, use the course date variations as your primary guide for your program calendar. These dates are also conveniently mapped out on our program academic calendar for easy reference which can be found as part of the program and course advice.
