

# Master of Business (24 units) (MBus (24 units)) 2019 Program Structure

It is important that you read and understand the following information.

To be eligible to enrol in the Master of Business (24 units) you must satisfy the entry requirements as outlined in the program rules.

The following information is designed to help you plan your enrolment. Please note it is intended as a guide only; you should check the scheduling of courses each semester. Further information can be found in the official rules and course lists under the **Program Requirements** link on the Programs and Courses website: <https://my.uq.edu.au/programs-courses/>

You are not required to submit this program plan for approval. However, if you have any questions or concerns about meeting degree requirements, please contact [info@business.uq.edu.au](mailto:info@business.uq.edu.au) for advice. It is your responsibility to ensure that you complete all the requirements of this program in order to graduate.

## **PROGRAM REQUIREMENTS**

You must complete 24 units from the [Master of Business \(24 units\) list](#), comprising -

- 2 units from Part A; and
- 10 units from one field of study in Part B\*; and
- 2 units from Part C; and
- the remaining 10 units as an approved second field of study<sup>^</sup> from Part B or from a combination of other courses in Part B, Part D, Part E and/or other courses approved by the Head of School (up to a maximum of 4 units) excluding: FINM7409, MGTS7301 and MGTS7608. Part E courses require permission from the Head of School before enrolment will be approved.

\* Students must undertake a field of study in the MBus (24 units). For students who have previously undertaken studies in business or commerce, entry will only be considered for a field of study not already undertaken with the exception of Supply Chain Management.

<sup>^</sup> Where a course is listed in more than one field of study, it may only be counted once towards one field.

For students wishing to complete two fields of study, please obtain a study plan from your Postgraduate Student Liaison Officer prior to enrolling.

Not all courses are offered every semester and/or every year. Check course offerings prior to enrolling.

## **MASTER OF BUSINESS (24 UNITS) – STUDY PLAN SUPPLY CHAIN MANAGEMENT**

*Program code: 5250*

Please consult with your Postgraduate Student Liaison Officer to create your study plan to ensure UQ program requirements and online courses are completed.

Students must complete the MITx MicroMasters Credential, comprising five online modules and the final capstone exam. The MITx Supply Chain Management MicroMasters credential costs approximately \$1,200 USD, which includes a Verified Certificate for each course and the capstone exam. Further information can be found [here](#).

In any compulsory study period (i.e. Semester 1 and Semester 2 each year), international students must study at least one course at UQ that is not online or distance education. International students on a student visa who complete all necessary UQ requirements for the MBus (24 units) program and still have MITx MicroMasters courses outstanding will be not be able to stay in Australia, and will be required to return to their home country and successfully complete the necessary requirements through MITx before the MBus (24 units) can be awarded.
